

SPJST Lifetime Achiever Award

This award is to recognize individuals who have made a significant impact in their lodge's success and growth over a lengthy period of time.

This is a one-time award and may be given to a maximum of five individuals per lodge, per year. The nominee must be living, a member of the adult lodge, and have been an active member of the SPJST a *minimum* of ten years. The award will be in the form of a plaque and may include a husband and wife on the same plaque.

The winners will be selected at the lodge level. The award will be presented to the individual(s) at their respective district's spring meeting. In addition to the plaque, the winners will have their pictures appear in the Vestnik!

This is a great way for each lodge to recognize the special individuals who have given so much of themselves to their lodge and local community. Please have your winners' names sent to the SPJST Home Office at least 10 days prior to your district's spring meeting to allow time for processing. When submitting your winners, please remember to type or print the names clearly and pay special attention to spelling.
